

## SULPHUR BRINGS HEALTH.

### Rises the Blood and Clears Up the Complexion.

Everybody needs to take Sulphur at this season. Nothing like it to purify the blood, clear up the complexion and remove "that tired feeling." But the only way to take it is in liquid form. Hancock's Liquid Sulphur taken internally is the best Spring tonic. Applied externally Hancock's Liquid Sulphur quickly cures Eczema, Tetter, and all Skin Diseases. Hancock's, the only Liquid Sulphur Ointment, removes Pimples, Blackheads and Sores, and gives a beautiful soft, velvety skin. Your druggist sells it. It cures Edward D. Herring, of Frederick, Md., of a bad case of Eczema, and he writes: "My face is as smooth as an infant's."

### WORK TO A SKELETON.

A Wonderful Restoration Caused a Sensation in a Pennsylvania Town.

Mrs. Charles N. Preston, of Elkland, Pa., says: "Three years ago I found that my housework was becoming a burden. I tired easily, had no ambition and was failing fast. My complexion got yellow, and I lost over 50 pounds. My thirst was terrible, and there was sugar in the kidney secretions. My doctor kept me on a strict diet, but as his medicine was not helping me, I began using Doan's Kidney Pills. They helped me at once, and soon all traces of sugar disappeared. I have regained my former weight and am perfectly well."

Sold by all dealers. 50 cents a box. Foster-Milburn Co., Buffalo, N. Y.

When You Want Pure White Lead, Get It

Probably there is no other article of commerce subjected to so much adulteration and misrepresentation as White Lead.

Out of 18 brands of "White Lead" recently analyzed by the Government Agricultural Experiment Station of North Dakota, 5 contained absolutely no White Lead, 5 less than 15% of White Lead, and only 3 over 90% of White Lead.

There is, however, a way to be certain of the purity and genuineness of the White Lead you buy, and that is to see that the key you buy bears the Dutch Boy trade mark. This trade mark is a positive guarantee of absolutely Pure White Lead made by the Old Dutch Process.

### CALLS HIS CURE A MIRACLE.

Tortured by Terrible, Dry Eruptions—Too Disfigured to Leave House—Cuticura Cured Him.

"Ever since the time I grew into manhood I have been suffering from a dry eruption which at times appeared very extensively, and at other times, but to a limited degree, on my body. I consulted a number of medical men without result, and last January I was affected with a terrible eruption on my hands, scalp, and face, which was so bad that I could not even leave the house, so I finally resorted to the Cuticura Remedies. So far they represent an outlay of only a few dollars and I am completely restored to health, while formerly I had spent dollars upon dollars on doctors, remedies and ointments without getting cured. The Cuticura Remedies represent a perfect miracle. Henry E. Kamping, 633 Eagle Ave., New York, N. Y., Feb. 16 and Mar 15, 1906."

### REAL ORIGIN OF THE TUXEDO.

"They are beginning to wear Tuxedo coats in Texas," says a New York paper.

"Beginning," is good! Don't you know, man, that the Tuxedo coat was invented in Texas when a cowboy had the tails shot off his clawhammer coat?—Denver Republican.

Pennsylvania Tobacco Profits. The tobacco farmers of Lancaster county turned a pretty penny last year. During last week the leaf tobacco packers resumed active buying of what remains of the 1906 crop, estimated at 5,000 cases, and paid the prices which they declared they would not pay—14 to 16 cents a pound. At these prices the entire crop will realize \$4,000,000.—Philadelphia Record.
